PERSONAL INFORMATION

For detailed information on what personal data we collect, how we collect it, how we use your personal data and how we store that data please see our privacy policy.

WINTER PROMOTION DETAILS

Bring a friend to our classes and you both will receive a free class when the friend buys a class pass. Introduce a friend to our 1-2-1 sessions and you both will receive £5 off a 1-2-1 session when the friend buys a 1-2-1 pass. These two items are not interchangeable. You will receive the relevant reward depending on which service the friend accesses and which pass they buy.

PROMOTION LENGTH

The Winter Promotion will run for a period of time from the 1st of January up to, but not including, Easter Sunday, whenever that may fall. We reserve the right to not run the promotion, for whatever reason, at our discretion on any given year.

DEFINITION OF 'A FRIEND'

A friend is defined by OED as being 'a person with whom one has developed a close and informal relationship of mutual trust and intimacy; (more generally) a close acquaintance', however for the purposes of the Winter Promotion we place no emphasis on what constitutes a friend.

Specifically this means that if two new people come to classes or 1-2-1 sessions at the same time but who have never met before, or do not already know each other in some way so they are meeting for the first time, they can be counted as friends if they so wish, however in these circumstances both parties will need to purchase a relevant pass.

However the friend must also be either completely new to the VFJ family, or have not purchased any services, attended any sessions, events or classes in the last 3 months or longer. Taking part in any of our FREE activities such as the YouTube Lives Monday Movement & Feelgood Friday or any of our challenges does not count and you or your friend would be classed as a new customer.

BUYING THE PASS

The class pass or 1-2-1 pass must be bought at some point during the Winter Promotion period. Meaning that the friend is free to purchase a one off session or class before purchasing a qualifying pass if they wish to trial the classes or 1-2-1 sessions.

COUPON CODE

Your subsequent reward of a FREE class or £5 off a 1-2-1 session will be given in the form of a unique coupon code. This unique code is just for you and your friend it must not be shared with anyone else. The code will be valid for exactly two uses. If the code is shared and used with another person you will not be given any additional uses.

All coupon codes must be entered at checkout, please check your total before completing the checkout process. If the code has not been applied successfully you will be charged, or the class/session will be taken from a pass if you have one active with available sessions. If you accidentally checkout and the coupon code has not been applied you will not receive a refund, however the coupon code will still be valid and can be used on another booking.

All coupon codes must be used within a month of receiving it. The date of receiving will be the date the code is emailed to you and your friend - this will be clearly stated within the email contents and accompanying coupon code graphic. Hard copies of the code may be given at the earliest opportunity, this does not alter the date by which it must be used.

Coupon codes are only valid for the above stated uses and cannot be exchanged for money or other goods and services.

BOOKING

All FREE classes must be booked, turning up to class without a booking may result in you not being allowed to stay, or you may be required to pay for the class. All 1-2-1's must be booked and, if you don't already have a usual regular time, the day and time must be discussed with us before booking to ensure it is mutually convenient.

PROMOTION LIMITS

There is no limit to the number of friends you are allowed to introduce, therefore there is no limit to how many coupon codes you can earn.

Sincerely,

VICTORIA JACKSON
